Dear Mr. George McGovern
United States Senate
Washington, D. C.

Dear Tom:
Many thanks for your kind letter of congratulations. I am grateful, too, for your work on the campaign. I know how hard you folks worked in Brookings County to bring in the impressive majority from an area that does not usually carry for me.

I have had several applications for summer positions in 1969, Tom. We are trying to clear our decks after the campaign and I suspect that it will be sometime next month before we are ready to consider applicants for next summer. I will keep your letter on file, however, and you may be sure that your interest in working next summer will be given serious consideration.

With appreciation for your efforts, I am

Sincerely,

George McGovern
